Ralph Lauren's Winter in Ten Pieces

Members get 15 pages: one page per piece with what to check when you buy it and where to find it without the price, the thirty outfits from the video, twenty more from the same pieces, and the order to buy them in.

Here is one piece, complete: the navy peacoat.

PIECE 2 OF 10 · THE NAVY PEACOAT

The navy peacoat.

WHAT TO CHECK WHEN YOU BUY

- ☐ Length: it ends at the hip, not mid-thigh.
- ☐ Buttons: they lie flat when it is closed. If they pull, it is too small.
- ☐ Collar: it stands up on its own against the wind.
- ☐ Navy, not black: hold it against a black sweater. You should see the difference.

WITHOUT THE PRICE

J.Crew makes almost the same coat. A good vintage shop often beats every store.
