

THE COAT CARD

5 ways to make the coat you own feel new — without buying another.

1

CHANGE THE FRAME

Wear it open. Choose what shows at the neckline first.

ON A BLACK COAT — white T-shirt, cream knit or a pale collar.

2

CHANGE THE PROPORTIONS

Wide to the floor, or narrow below the hem. Then change the shoe.

ON A BLACK COAT — try it once wide, once narrow.

3

INTERRUPT THE COLOUR

One colour, two places: gloves and shoes, or scarf and bag.

ON A BLACK COAT — pick a colour you own and wear it twice.

4

REDESIGN WITH A SCARF

Your largest scarf OVER the coat. Add a belt over both, if you like.

ON A BLACK COAT — choose a scarf in a different texture.

5

BREAK THE COAT'S PERSONALITY

Pair your good coat with denim, a hoodie, a cap or sneakers.

ON A BLACK COAT — jeans, loafers or white sneakers.
